Announcements

Irwin Army Community Hospital (IACH)

- We continue to work through challenges associated with providing healthcare both to those remaining at Fort Riley as well as those Soldiers mobilizing and demobilizing through Fort Riley on their way into or returning from the Southwest Asia theater of operations. IACH continues to experience losses of health care providers and support staff to deployments and as always continues to work diligently to augment these losses and to mitigate the effect of this installation's continuing mobilization mission on appointments in our facility, specifically in the Primary Care clinics. We are working on identifying and hiring additional healthcare providers and have been successful in obtaining the services of several providers in the primary care arena, and in both our OB/GYN and ophthalmology clinics. In addition we are pleased to welcome home one of our deployed OB/GYN physicians and eagerly expect additional providers back during the month of March. However, as we continue to mention, Fort Riley is currently scheduled to receive large numbers of Soldiers from both the reserve component and the Active Duty force returning from both Southwest Asia and from European deployments. These Soldiers will require extremely intense medical processing which will place a large demand on our facility. In an attempt to mitigate this effect we continue to authorize our beneficiaries access to the local TRICARE network and continue to request or contract for additional medical and support staff from other installations and the local community to assist in meeting your healthcare needs in a timely manner.
- Flu shots continue to be available and are being given to Fort Riley families and eligible military retirees at Irwin Army Community Hospital while supplies last. Shots will be administered in Primary Care Clinic #3 on Monday, Wednesday, and Friday from 7:45-11:15am and from 1:00-3:45pm, on Tuesday from 1:00-3:45pm. Patients are again reminded to bring their medical records with them when attempting to obtain this immunization. Department of the Army civilian (DAC) employees are invited to obtain the flu vaccine from the Occupational Health clinic daily (excluding Saturday and Sunday) from 7:30-8:30am on a walk-in basis. Additionally, (DAC) employees may walk-in to the clinic at any time during normal business hours but may be required to wait based on mission requirements if the visit is scheduled outside of the above-dedicated flu shot schedule.

- **IACH began offering patients the ability to obtain specific non-prescription medication from the Outpatient Pharmacy without first seeing a healthcare provider. Beneficiaries wishing to participate in this program must first complete the Patient Medication Self-Care Program. Fort Riley beneficiaries will be able to schedule an appointment to attend a Self-Care class at IACH in Preventive Medicine. In order to attend the class please call the TRICARE appointment system at 784-1200 and ask to attend the Self-Care Class. Self-Care classes will focus on wellness and preventive health care measures. Self-Care class attendees will receive a Self-Care manual for future reference to help make decisions to seek medical care or access the Self-Care process. Only beneficiaries who attend the class are eligible to access Self-Care medications at the Main Outpatient or CTMC Pharmacy by completing a request for medications and presenting a completion card for the Self-Care class to the Pharmacy Staff along with a Military ID Card. Quantity limitations for medications are 3 medication selections per family member every 30 days. For questions and concerns please contact us at 239-7411, 239-7520 or 239-4411.**
- A new feature associated with the MEDDAC and with the TRICARE health plan is the advent of TRICARE On Line or TOL. TOL allows patients the opportunity to book certain types of appointments through the Internet. In order to utilize this feature of TRICARE you must first register in the online system. You must go to the TOL website at WWW.TRICAREONLINE.COM and select the register tab on the left of the screen. You will choose the register as a beneficiary option and answer the questions posed. Once registered, you will be able to view and book those appointments coded by IACH as available for online booking.
- **Patients who are unsure if their condition requires an appointment or who would rather attempt home or self care should call the TRICARE Nurse Advice Line at 1-888-887-4111. This service is offered free of charge to all TRICARE beneficiaries who need advice on their medical condition. This service may be an invaluable tool for determining if your specific set of symptoms require an appointment with a healthcare professional and may help you to avoid waiting in the Emergency Room only to discover you or your family member has a condition which may be managed effectively at home using over the counter remedies.**

Directorate of Community Activities

Business Operations

- **Custer Hill Golf Course Bldg. 5202 Normandy (785) 784-6000**
 - **Membership Savings for Golf:** The golf course is in excellent condition, the only problem is the weather is now cold and fewer golfers are enjoying use of the facility. The hours of operation will be changing to meet the needs of the facilities and to keep our costs low. You can help us by becoming a member during this time of year. The golf course will be keeping memberships intact for the coming year. An annual membership is very reasonable and allows one to play golf at any time only by registering when coming out to play. It would take about 40 rounds of golf to equal a membership, so the sooner you join, the sooner you can enjoy your golf.
 - Although memberships remain the same price for the coming year, the cost of our 10-Play Cards will be rising to \$10, and E1-E4 prices will be \$7 for weekday play and \$10 for weekend play. All other weekday and weekend prices will remain the same at \$13 and \$15.

You can save by becoming either a member of the golf course or a 10-Play member—your choice. The savings will only come with your continued use and play on our course.

- **Golf Instruction:** Be thinking about what you want to do with your golf game for the coming year. Most of the Professionals are becoming more fit in order to hit the ball at higher speeds. The gyms on post are a great place to start in becoming more fit. Swinging a “shortened” broom is also another way to learn to swing the golf club better. Having the proper mechanics is also very important so you don’t become injured. You can watch the golf channel on TV and also purchase videos to help become more efficient in swinging the golf club or broom. Visualizing, imagining and watching your golf swing and professional’s golf swings can make dramatic changes to your game. Our contract golf professional will be scheduling clinics in the spring. If you are interested in signing up, call the golf course at 239-5412.
- **Operating Hours:**
Tuesday – Sunday – 10:00am-5:30pm
Monday and when snow is on the ground – Closed
- The golf course is weather dependent. We will not be open in case of inclement weather. We are trying to keep our costs down to allow us to better serve you during the season.

- **Tax Center opened January 21, 2004**

- The Tax Center offers free preparation and electronic filing of Federal Tax returns for soldiers, retirees and their family members. By filing electronically you can have your refund deposited directly in your bank account in approximately 10 days. A soldier filing a 1040EZ can usually save \$120 by utilizing the free Tax Center services.
- The Tax Center is in Bldg. 7034, Bullard St. which is behind 1st Brigade Headquarters on Custer Hill. The Tax Center will be open from January 21st to approximately April 15th. Office hours are 9:00am to 5:00pm on Monday through Thursday, 9:00am to 6:00pm on Friday, and 10:00am to 2:00pm on Saturday. Call 239-1040 to schedule an appointment.
- Start gathering your documents together now. You will need last year's tax return, this year's W-2's, 1099's, and proof of any other income. The Unit Tax Advisors at each unit can assist soldiers in preparing their return and will be available to answer most questions. People with more complicated returns will be directed to call the Tax Center, 239-1040, to schedule an appointment. Ensuring that you have all your paperwork will help the Tax Center staff promptly and efficiently file your Federal and State taxes.

G5/Strategic Planning Office

- Tell us what you think! Interactive Customer Evaluation, ICE, is a worldwide customer feedback system managed by the DOD Office of Quality Management. Fort Riley is a part of this system. We encourage you to use ICE to provide feedback on services provided by Fort Riley. You can comment on a wide range of services. Your feedback helps to insure that we deliver quality services throughout the installation.
- You can access ICE by clicking on the word ICE on the sidebar of the Fort Riley website homepage at (www.riley.army.mil). Then select the general area of service on which you wish to comment and the list of services will come up. You will bring up the comment card by clicking on the service name. You can also access information about the service by clicking on the "I" balloon or see how others evaluate the service by checking on the box.
- ICE is a worldwide system for all branches of service. New installations are being added each week. If you travel or use the services of other installations you may want to check and see if they are in the system. You may do that by going to the main ICE Homepage at <http://ice.disa.mil>. ICE can be accessed from ANY computer with internet access. Your questions or suggestions regarding ICE should be directed to the Plans, Analysis & Integration (PAI) Office, phone 239-2540 or e-mail PAI@riley.army.mil

Provost Marshal Office

- **Winter Driving Road Conditions**– Heavy snowfall and icing on road surfaces make for hazardous driving conditions. To mitigate this, ensure that you allow additional travel time to account for slower driving speeds and increase following distances. For the latest information on winter road conditions, you can either tune into channel 2 or call the following number 239-2793 for periodic updates. Be advised that the color-coded

road condition classifications apply only to the echelons at which commanders may authorize the dispatch of government vehicles and not to installation access or operation of POVs on Fort Riley.

Directorate of Public Works

- **Snow and Ice Removal** - Units, activities and family housing occupants are required to ensure removal of snow/ice within 24 hours of each snowfall from sidewalks, steps, and stairs, to include sidewalks to building mechanical rooms. De-Icer is available to family housing occupants through the Self-Help Store (Bldg. 289) for use on porches sidewalks and driveways. Troop units may obtain this de-icer by submitting a work order request, DA Form 4283, to Public Works, Bldg. 372, using NSN 6810-01-Z78-6133, De-Icer, 100# drum.
- **Installation snow emergency parking plan** - During a declared snow emergency, parking will be on one side of the street only. Vehicles in housing areas will park on the even building numbered side of the street on even calendar dates, and on the odd side of the street on odd days. The only exception is where there is no parking on one side of the street. No parking signs are still in force and will not be violated. Streets with residents parking in violation of this policy will not be cleared. An announcement will be issued on Channel 2 when the plan is implemented. Alternate side parking will continue until the road is cleared from curb to curb. All residents should maximize the use of their driveways to reduce the numbers of vehicles on the street during the snow removal process.
- **Self-Help Store** – Self-help's policy for loaning tools and equipment: 24-hour time frame. Penalized for late returns. Charged for damaged or lost item(s). Borrowers sign an acknowledgement of requirements. Winter items such as snow shovels are available.
- **Absences from quarters** - All absences from quarters of 7 days or more must be reported to the Housing Office. Residents must have someone watching the quarters. Personal house watcher must make daily inspections and report any facility problems immediately for repair. Temperature sensing devices are now available at the Self Help Store. Use of these is now mandatory for residents requesting extended absences. Do not turn off heat. There have been numerous water line freeze ups resulting in assessment of charges to the residents.
- **Smoke Detectors in Quarters** - Smoke detectors can save lives. Residents are responsible for ensuring they are in good working order. Never remove the backup batteries from the detectors to use for other purposes. Never remove the detectors from the ceilings. Replace the batteries when the detectors start beeping. That is the warning sound for expired batteries. Replacement can be done by occupants or as a service order.
- **Barbecue Grills** - Keep grills several feet from the house when in use because of the intense heat they generate. Fire regulations prohibit the use of barbecue grills on enclosed porches and balconies. Parents watch children while you BBQ this summer to prevent serious injury.
- **Extension Cords:**
 - Replace all extension cords after two or three years. Most cords are not intended for long-term use, so inspect them annually. If a cord frays or feels soft in any spot, throw it away.
 - Extension cords should always lie flat and straight. A bent cord will overheat at the kink, destroying the insulation over time.

- Never put a cord under a rug or carpeting. Constant traffic will also wear away the cord's insulation.
- Never put more than two plugs into any extension cord. Although some cords can receive three or more plugs, you run the risk of overloading the circuit and starting a fire.
- Connecting a device that draws more power than your extension cord can handle will strain the device and overheat the cord.
- Be cautious with appliances. Unplug small appliances, such as toasters, irons and coffee makers, when not in use. An appliance left plugged into a wall socket may cause a fire if turned on accidentally by a child or pet.
- Do not use extension cords with refrigerators, air conditioners, washing machines and other heavy-duty appliances. Plug them directly into wall sockets.
- **Presidents Day Holiday Trash/Recycle Collection Schedule:** Trash/recycle collection schedule for the week of 16-20 February in observance of Presidents Day holiday is as follows:
 - **Monday:** No pickup, Presidents Day.
 - **Tuesday:** Colyer Manor, Main Post, and Marshall Field.
 - **Wednesday:** Ellis Heights, O' Donnell Heights, and Peterson Heights (north of Thomas Avenue). Dumpsters at Bldgs. 27, 28, 45, 470, 471, 540, 541, 620, 510, and 5309.
 - **Thursday:** Warner Heights and Burnside Heights. **(No change from regular schedule.)**
 - **Friday:** Meade Heights, McClellan Heights, South Warner Heights, and Peterson Heights (south of Thomas Avenue). **(No change from regular schedule.)**
 - Trash carts must be set out on the morning of the scheduled pickup no later than 7:30am and must be placed on the curb. The contractor is required to return them to the same spot. Those occupants on Main Post who have trash enclosures next to the curb do not have to set them outside of the enclosure. Holiday collection schedules are also posted on the Fort Riley Internet web page two weeks prior to, and the week of, all federal holidays
- **Energy Conservation** - Authorized thermostat settings during the cooling season are 76 to 78 degrees. Remember to keep exterior doors and windows closed to help the cooling system prevent excessive humidity inside. Please turn off computer monitors, appliances and lights when not needed. Funds saved in the energy account go to improving the quality of life for soldiers and families.
- **Recycling Reminder** - All on-post housing occupants are reminded of their responsibility to recycle to the extent possible. All recyclables except yard waste and large pieces of cardboard are to be placed in the Blue recycle bags and placed next to your trash containers the day of your scheduled pick-up. The blue recycle bags and a Resident User's Guide are issued at the time of assignment of the quarters, and additional bags can be obtained at no cost at the self help store. Please do not use the blue recycle bags for everyday trash or non-recycled items. Information on the recycling procedures are in the Resident User's Guide and in the Housing Handbook, page 48.
